

David James
Managing Director, Prague

David James

• Experience

David has worked in senior positions in audit and accountancy as well as in other types of business since 1987. He co-founded BDO's new Firm in Poland in 1990 and has also been European Head of Internal Audit for a major waste management group in London and Hamburg. He was Finance Director of the tenth largest Russian TV station, and also co-founded Grupa Strategia in Poland, a multidisciplinary professional firm and was part of the Howath International network. He has extensive experience with providing audit services, particularly with UK and Polish statutory audits, other GAAP financial statements audits, audits of consolidated financial statements, Project Management, Financial Consultancy, Strategic Consultancy, Training and Management. David is experienced as auditor to food and drinks production companies, real estate developers and heavy industrial clients and has extensive media and logistics sector knowledge, temporary management and post-acquisition restructuring experience. He has performed Due Diligence on over 60 acquisitions, of which the largest was for a USD 100 million transaction, which lasted 3 months and involved a team of 16, which he headed. He has worked in over a dozen jurisdictions.

• Background

David has over 20 years experience as partner and director at major audit and consulting firms. David works in English, German, Polish, Russian and French.

- Cambridge University, MA degree
- Institute of Chartered Accountants in England and Wales, UK chartered accountant
